

Voice: Idealistic and Inspirational.

Audience: A class of third-graders.

Purpose: Describe the world in which you hope these students will live as adults.

Form: A short speech.

Student Model

I have a dream
that one day you will all live in a world in which wars
are found only in the history books
that you will see a world in which there are no more
children who go to bed hungry
that you will enjoy a world in which there is more
laughter than tears.

I have a dream.

Someday soon. You will know what it's like to have
children of your own.

Someday soon. You will understand what it's like to
worry about their futures.

Someday soon. You will hope for a better world for
your children, just as I hope for you.

I have a dream. Dreams can be real.
